

## **N Welfare to Work (WtW) - Background**

The United States Department of Labor is authorized to provide Welfare to Work (WtW) grants to states, local community organizations and tribes, under [PRWORA \(g\)](#).

WtW grants create additional job opportunities for hard to employ welfare participants. WtW grants focus toward long term unsubsidized employment by providing the following:

- Job placement services
- Transitional employment
- Supportive services

Policy and procedures regarding WtW income are outlined as follows:

- [WtW Earned Income](#)
- [WtW Unearned Income](#)
