

.02 Actual Income - Less Than a Full Month

Budget the actual income received and any anticipated income for the benefit month when less than a full month's income is received, or anticipated to be received, from any of the following:

- A [break in employment \(g\)](#)
- A [new source](#) of income
- A [terminated source](#) of income

Key AC in the FREQ field on **EAIC** or **UNIC**.

AZTECS does not average and convert actual income.

(See Example [New Source of Income](#))

WARNING

When the income is terminated and all income has been received, remove the income for ongoing months. (See Example [Terminated Source of income](#))

When a [full month of income \(g\)](#) is received, see [Full Month's Income](#).
