Jobs Program Office Location Changes

09/14/2015

This NEWS FLASH is being issued to inform staff that some of the Jobs Program offices have moved. Also, the format used to include the Jobs Program office locations in the FAA Policy Manual has changed.

Effective immediately, the Jobs office locations have been removed as references in the FAA Policy Manual. These offices are now listed on PDF documents that are linked to the FAA Policy Manual at each FAA site code reference and at FAA6M.08 (Index: Jobs offices).

Each FAA Site code has links similar to the following:

Jobs Office:

- [Directory by City.pdf](#)
- [Directory by ZIP Code.pdf](#) (reference only)

There are two documents listing the Jobs office locations. The document that lists the Jobs offices by city includes all of the Jobs office locations in Arizona and their corresponding ZIP Codes. The document that lists the Jobs office locations by ZIP Code is for reference only and cannot be printed.

The Maximus Jobs offices serve the people in Maricopa County, while ResCare offices serve the other counties. When there are two Jobs office locations for one ZIP Code, refer to the county to determine the correct office.

Note: The Jobs office information that is keyed on notices is based on the ZIP Code of the residential address on the case. Do not use the Jobs office information associated with the ZIP Code of the local office.

Many Jobs Program office addresses, telephone numbers, and fax number have changed. Please review the Jobs directories linked to the FAA Policy Manual to identify the Jobs office locations that correspond with your area.

Please contact the FAA Policy Support Team by phone at (602) 774-5523 or by e-mail at FAAPolicyMgmt@azdes.gov with any questions or concerns regarding this broadcast.

Please consider the environment before printing this broadcast.
