**Stop Using the AB Denial or Closure Reason Code**

**03/15/2016**

This NEWS FLASH is being issued to inform staff to temporarily STOP using the AB Denial or Closure Reason Code. Until further notice, do not take action to close an ABAWD budgetary unit using the AB Denial or Closure Reason Code.

AZTECS will automatically deny cases with ABAWD budgetary units that have received their three full months and do not meet an exemption before NOAA. Ensure AZTECS cases are keyed correctly to allow this process to occur.

Notices are currently being developed. Once these cases are denied by AZTECS, the new notices will be automatically sent.

Further broadcasts will be sent with additional instructions.

Please contact the FAA Policy Support Team by phone at **(602) 774-5523** or by e-mail at **FAAPolicyMgmt@azdes.gov** with any questions or concerns regarding this broadcast.

**Please consider the environment before printing this broadcast.**
