KidsCare Application Addendum

07/26/2016

This NEWS FLASH is being issued to inform staff of a KidsCare Application Addendum (FA-001-K).

New questions specific to KidsCare have been added to the paper Application for Benefits (FA-001). The revised paper applications (FA-001) will be available soon. Until the revised applications are printed and available, applicants will also complete the attached KidsCare Application Addendum (FA-001-K).

IMPORTANT

When the KidsCare Addendum is not included with the application and the household or participant is potentially KidsCare eligible, call the customer to obtain the answers to the KidsCare questions. Key the responses in Process Application mode (batteries). Add a case comment stating who you spoke to and when.

Family Assistance Administration (FAA) staff must ensure that the KidsCare Application Addendum (FA 001 K) is presented with each paper application. Staff may print the KidsCare Application Addendum (FA 001 K) from the Digital Library shortly; the forms are also attached to this News Flash.
